### SIGN DESIGN

Please use attached page or an additional sheet to provide a drawing of your sign design. Be sure to double-check all spelling and identify desired colors for each area of your sign. Logos or artwork will need to be provided in electronic format (.EPS or High Res Format). If using artwork from a business card, please provide a card and the contact info for the person where your cards are produced. Sales Agent will contact you for final sign-off of design prior to ordering the sign.
